

IS YOUR TEENAGER A SAFE DRIVER?

Toyota is offering a **FREE** real-world, safe-driving course for teens and their parents!

Because you care about your teen's safety — and because safety is a priority at Toyota — teens and their parents are invited to a **FREE** 4-hour defensive-driving program. This educational, non sales event includes multiple driving courses and classroom instruction.

Toyota Driving Expectations is designed to go beyond basic drivers training, providing teens and their parents with knowledge and experience to increase safe driving practices.
